

Spanish courses

In Argentina

American British Institute offers different options either to study Spanish in Argentina or to travel around Argentina . Students can also combine Spanish classes while they enjoy visiting beautiful places . All our classes are in Spanish and are based on communication.

American British Institute uses written texts such as books, workbooks, ads, stories, newspaper articles adapted to each level as well as DVDs ,CDS and videos. At the end of the course , students are given a certificate of completion.

Why Buenos Aires ?

The city offers a friendly atmosphere and tourists can enjoy the beautiful sites and experience tango lessons while learning the second most spoken language
